Booking Regulations – 2018/19

1. Booking enquiries may be made at any time via email at bookings@talara.com.au. Any commentary by the Booking Manager about availability is indicative only and no booking is confirmed until a booking form is completed, booking is confirmed by the Bookings Manager and payment is made.
2. Accommodation booking forms, whether for members and/or non-members, must be completed and signed by a Talara Ski Club member (if sent via email, electronic signature is acceptable). Booking forms will not be accepted unless all the details required on the form are supplied.
3. The Bookings Manager will confirm a booking as accepted before payment is to be made. The full booking charge must then be paid to confirm a booking.
4. There can only be one payment per booking form. Payments cannot be split between guests on the same booking form.

Ski Season Bookings

5. Bookings for the winter ski season (from Thredbo opening weekend until closing weekend) can be submitted from 1 February using a Bookings Form to indicate preferred booking. After 1 March**, the Bookings Manager will contact each applicant and confirm which bookings can be accepted and ask for completed/adjusted booking forms and payment. Revised forms and payment must be submitted within 10 days of notification by the Bookings Manager, otherwise they will lapse.
6. Outside of this process, if a booking for the winter ski season is made after 1 March and the Bookings Manager confirms it is available, the booking will be held for 10 days pending a completed Booking Form and full payment, otherwise it will lapse.
7. Weekend bookings will not be accepted before 1 March for the July school holiday period. During this period weekly bookings only (Sunday 10am - Sunday 10am) will be accepted.

**** A change for 2018 sees the member-booking window shortened to one month. The Board has witnessed that up to 95+% of all member bookings are already in by the end of February. Making the member-booking window for one month, rather than two, will considerably speed up the process of confirming member bookings and allow greater clarity and transparency for both member and non-member bookings moving forward.**

Summer and Other Bookings

8. Bookings for the peak of summer (1 December - 31 January) will be accepted during the year, but will not be confirmed until 1 October of the same year. After 1 October, the Bookings Manager will contact each applicant and confirm which bookings can be accepted and ask for completed/revised booking forms and payment. Forms and payment must be submitted within 10 days of notification by the Bookings Manager, otherwise they will lapse.
9. Bookings for all other periods of the year can be made at any time, and if the Bookings Manager confirms it is available, the booking will be held for 10 days pending a completed Booking Form and full payment, otherwise it will lapse.

Talara Ski Club

History

Talara Ski Club was formed in 1966 and now has 160 members. The lodge was built during 1968-1969, with club members carrying out almost all of the construction work. The first bookings were accepted in August 1969. The lodge is available for members and their guests throughout the year.

The Lodge

Talara Lodge is a 2 storey building, with living areas downstairs (kitchen/ pantry, lounge, dining, laundry, ski-room and drying room) with all bedrooms and bathrooms upstairs. There are three double bedrooms, 2 rooms with twin beds, a bunk room with 4 beds and 2 “family rooms”, each of which can accommodate up to 6 persons. The “family rooms” have their own ensuite.

How to get there

Follow the Hume Highway from Sydney then just south of Goulburn take the Federal Highway and travel south to Canberra. This section of the trip is mainly on a divided road. From Canberra follow the signs to the Monaro Highway to Cooma. This road then joins the Kosciuszko Rd that you follow through the town of Berridale and onto Jindabyne. Just past Jindabyne Town Centre take a left onto the Alpine Way to Thredbo. You will go through the National Park Entrance Station, and from there it is only 13km to Thredbo.

The Alpine Way, from Jindabyne to Thredbo is kept open throughout the year but it is compulsory for non 4WD vehicles to carry and then fit chains when requested in winter by the relevant authorities. Talara Ski Lodge is located at (Lower) Bobuck Lane (see map). Talara Ski Club has two dedicated car parking spaces. Ample overnight parking is available at Friday Flat just a short walk from the lodge.

On arrival

Check your booking receipt for the door lock combination code, and then check the notice board for your room allocation and information concerning the location and operation of essential services. Make yourself known to the Lodge Captain for the period of your stay. You are asked to assist by obeying the lodge rules and the Lodge Captain’s decisions if any problem should arise. Please notify the Lodge Captain if any services fail or are not operating correctly. Lodge Captain duties are displayed on the notice board.

Members should make themselves familiar with the operation of the essential services and lodge facilities so that they can carry out the duties and accept the responsibility of Lodge Captain if so appointed. A compendium on Talara and Thredbo is located near the stereo.
