Talara's COVID safe plan can be found on [Talara's website](#) and when submitting a booking request, **please ensure you have read the plan and will follow the plan during your stay.**

Across this Covid affected period we have made a number of changes that will remain in place. The changes are summarised as follows.

- The Lodge capacity has been reduced, allowing for a maximum capacity of 20 guests. Room 8 is not available for bookings.
- Only members of the same family / household can stay in the same room.
- You **MUST** stay in the room you have been allocated. You may not move to another room even if it is empty during your stay.
- There will be a \$50 per room cleaning surcharge for all bookings, regardless of the length of the booking.
- All communal areas, bathrooms and occupied rooms will be cleaned weekly by our contract cleaners. As prior to Covid we do ask that members and their guests also clean as they go in communal areas. This includes both vacuuming the floors and cleaning the kitchen and other living spaces when required.
- Bedrooms will be professionally cleaned by external contractors after all stays on a weekly basis, however the Club does ask for members to ensure their bedrooms are not left in a state of disarray when they depart. The cleaners come in to clean and disinfect rooms, the Club would prefer to pay them for cleaning and disinfecting rooms not having to also take on the burden on removing rubbish from bedrooms.
- In most circumstances, **the maximum booking is 6 nights** as there will be a cleaning day / void day in all bookings. This will typically be on a Friday.
- There is a **3-night minimum stay**. You may stay for a shorter period; however, you must pay for a minimum of 3 nights.
- If you wish to book for the **winter season**, bookings can be submitted from 1 February 2022 as usual.
- Booking windows and the amended booking priority is summarised as follows.
- **In the winter season, the majority of bookings will commence on a Saturday with departure on the following Friday, allowing for a maximum 6-night stay. Priority will be given to 6-night bookings initially.**

Season	Minimum Stay / Booking Priority:

  - Handrails,
  - Doorknobs, and
  - Other high touch surfaces.

  - Notifying the Bookings Manager if any items need to be restocked.
  - Ensuring that cleanliness and social distancing is being maintained.
- **The kitchen will have a 4-person limit and therefore members and their guests are encouraged to limit the preparation of food.**
  - It is recommended that guests bring pre-prepared meals that require limited assembly and re-heating. Guests should try to limit their time in the kitchen to 30 minutes.
  - All dishes need to be cleaned through the dishwasher – no hand washing.
- Guests in rooms 1 & 7 should **only** use their own bathroom.
- All other guests are to use the male / female bathrooms as usual.

- All members and guests must sign the waiver at the time of booking that forms part of Talara's COVID safe plan.
